

Dear Homeowners,

As the managing agent for the Windmill Farms Homeowners Association, Inc., we are excited to announce the **incoming upgrade to the Pool Amenity Center entrance procedure**. A new form of entry, utilizing a phone app that will allow access to both Buckingham & Spyglass Pool entrances.

All current key cards in circulation will be deactivated and will no longer be valid for pool entry. You may dispose of any cards in your possession. Information about registering for the new entry system information will be communicated once the final installation is completed.

The new system will help to eliminate outside users of the HOA from entering the pool and limit the number of users to just Class A member of the association. We are excited for this change and hope you enjoy this long-awaited upgrade the facilities.

Should you have any questions, please visit the Association's website at www.windmillfarmhoa.com and click on the "Contact Us" tab to submit a web submission. We look forward to hearing from you.

Sincerely,

Essex Association Management L.P., Managing Agent,
